Freelancer.com CEO Matt Barrie Will Be Presenting at Funding Connect Sydney on April 22nd 2010

SYDNEY, March 23rd 2010: Matt Barrie, Chief Executive of Freelancer.com, the world's #1 micro-outsourcing marketplace will be presenting at Funding Connect in Sydney on April 22nd 2010.

Funding Connect will be held at Customs House, 31 Alfred Street, Circular Quay. The event helps connect investors, successful entrepreneurs and thought leaders from all sectors from the technology industry in Australia. The event aims to provide opportunities for partnerships, funding and networking for technology companies.

Matt Barrie, CEO of Freelancer.com, will be one of the speakers at Funding Connect on the 'Going Global' panel. He brings his business experience and heavy involvement within the technology industry. Currently Freelancer.com has over 1,500,000 registered professionals from 234 countries and territories worldwide. He will share his experience with managing the company and how it grew to the world's #1 in a short period of time.

"I am really looking forward to presenting at Funding Connect. It will be a great opportunity for attendees to learn from business leaders and investors in the technology industry." said Matt Barrie, Chief Executive of Freelancer.com. "There's a great line up of speakers. Anyone who is considering starting a technology startup should attend", he said.

Funding Connect is currently sponsored by the NSW Government and the Australian Technology Showcase and will run from 12noon – 6.30pm, costing A\$220 inc. GST. There is a 50% discount for entrepreneurs, Australian companies, government and R+D.

About Freelancer

Freelancer.com is a global marketplace for online and freelance jobs where businesses connect with independent service providers and freelancers to outsource their work. Freelancer.com connects over 1.4 million employers and freelancers globally from over 234 countries & regions. Through our website, employers can hire freelancers to do work in areas such as software, writing, data entry and design right through to engineering and the sciences, sales and marketing, and accounting & legal services. Freelancer is the leader in the micro-outsourcing market, with the average job size being under US\$200. This is extremely cost effective for small businesses, which often need a wide variety of jobs to be done, but cannot justify the expense of hiring full time.
